**1st:** Pray for an obedience to God's word. Ask God to help you meditate on His word throughout the day.

**2nd:** Pray for Western Sahara. Christians have been decimated here. In 1970, 41% were Christian. Today, they estimate it's 0.1%.

**3rd:** Pray for our government officials - local, state, and federal. Pray they are making Godly choices and judgment on those actively doing evil things.

**4th:** Praise God for the sweet friendships in your life - the ones that point you back to the Word, that encourage you, and walk with you thru the valleys.

**5th:** Pray that we are a church who seek's out God's wisdom and will for our church. That we live by "Not thy will, but Yours be done."

**6th:** Pray for the various ministries of the church. Pray for volunteers, ministry leaders, rest, and wisdom on how to use their gifts.

**7th:** Praise God for the strength He has given men; how they serve their families well. It could be physical strength, a strong faith, or mental strength.

**8th:** Pray for wisdom for decisions you have to make this month. Wisdom isn't just making good decisions vs bad. It's about biblical vs good decisions.

**9th:** Pray for Somalia. It's estimated they have "hundreds" in a nation of 16 million+. Pray for the increasing Somalian population in MN as well.

**10th:** Pray for opportunities to share the Gospel with others at our church! Let us remind each other of the Good News.

**11th:** Pray for those struggling with alcohol and drug addiction. Pray for God's deliverance from these chains. Pray for protection from temptation.

**12th:** Pray for Pastor Cary and his wife Penney. Pray their marriage would be God-honoring and they would be blessed in their marriage.

**13th:** Pray for Linda and Dale P.

**14th:** Praise God for the way He has made women to have such attention to details! That skill makes serving and blessing others so special.

**15th:** Pray for a gentle tongue. "Out of the same mouth come praise and cursing. My brothers and sisters, this should not be." James 3:9

**16th:** Pray for Turkey, as their Christian population is decreasing as the population increases. Religious nationalism is very strong and pressures Christians enormously. The government also records religious affiliations on an electronic chip in their identity cards - making it easy to discriminate.

**17th:** Pray for the at-risk youth that Timber Bay ministers to. Pray they receive the support needed to minister to those in the community.

**18th:** Pray for our country to have a Christian revival and that we would live out biblical convictions. Pray for new believers in our own country.

**19th:** Pray for financial wellness of Restoration Church. Pray for continued tithes & offerings and generous hearts of those who attend and call it home.

**20th:** Praise God for the gift of new life that is shown all around us in Spring. May this season be a time of rejuvenation, rebirth, and growth.

**21st:** Praise God equipping men to be the provider and protector of their homes and families. May they not coward away from that responsibility.

**22nd:** Pray for God's help to put on the Armor of God not only today, but everyday. That we prepare & protect ourselves from Satan and his schemes.

**23rd:** Pray for Yemen. Christians receive threats from government and Islamic extremists/tribes. Leaving Islam is forbidden in this country.

**24th:** Pray for Brook Seekins, the missionary in Malawi, Africa we support. Pray he continues to be obedient to God's call and ministry.

**25th:** Pray for Christians facing persecution all over the world. May God bring peace in the midst of trials and shorten the time of suffering.

**26th:** Pray that Pastor Cary and the elders would have fruitful study of the word, for not only their church roles but also in their personal devotions.

**27th:** Pray for the future elders of church. Pray that God would lead them very clearly to Restoration Leadership and make it known to current elders.

**28th:** Praise God for the tenderness women bring to their families & relationships. They help show us the tenderness of God!

**29th:** Pray for the Rush City Community. We pray that are drawn to our church and find the hope, life, and friendship they desire.

**30th:** Pray for Algeria. There are fewer Christians now than in 1970 (101k to 72k). Over 13 churches have been forcibly closed by authorities.

**31st:** Pray for the Rush City Food Shelf. Pray they can serve the hungry in the community and help provide hope to those struggling.
